

ANNUAL REPORT 2025-26

As we present the Annual Report for the financial year 2025–26, we look back with profound reverence and gratitude. By the grace of God and His unwavering guidance, Goodwill Foundation marks a monumental milestone this year, celebrating 29 years of selfless voluntary service dedicated to uplifting the vulnerable across Mizoram and the northeastern region of India.

Over nearly three decades, our journey has been woven with both formidable challenges and deeply rewarding triumphs. Every lives touched, community transformed, and hope restored stand as a testament to the collective heart of our mission. None of these achievements would have been possible without the abiding trust and generous support of our benevolent donors and funders, alongside the tireless dedication of our compassionate staff and valued stakeholders. Together, we remain steadfast in our commitment to bring light, dignity, and enduring hope to those who need it most.

Activities and Achievements of the organization during the year 2025-26

HEALTH

The **SBI Sanjeevani – Clinic on Wheels** is a flagship mobile medical initiative launched in Mamit district through a partnership between the **SBI Foundation** and the **Goodwill Foundation**. Deployed across **20 target villages** in the remote district, this mobile medical unit directly addresses severe geographical and financial barriers by delivering essential, last-mile primary healthcare straight to rural doorsteps. Equipped with onboard doctors, lab technicians, and pharmacists, the initiative offers free doorstep general consultations, routine health check-ups, diagnostic services, and essential medicines, while also organizing specialized health camps and awareness drives. By saving local villagers long, expensive trips to distant district hospitals,

the program drastically improves health-seeking behaviors and early disease detection—ultimately safeguarding the well-being of thousands of underserved rural residents.

LICHFL Sanjeevani

Under the rural healthcare initiative of the organization LICHFL Sanjeevani is also another mobile medical van of the organization for rural healthcare services in Mamit district. The project is funded by LIC Housing Finance Limited for procurement of Mobile Medical Van with Diagnostic Facilities. The mobile medical van is equipped with different medical equipment with diagnostic facilities. This mobile medical van serves the need of diagnostic and portable laboratories in the far-flung remote areas of Mizoram.

Environment

Under the environment programs of the organization social forestry plantations were carried out in the barren land and roadsides. The social forestry plantations were carried out mostly on the Green Mizoram Day. A mixture of fruit-bearing and non-fruit-bearing trees were planted mostly for future environment and climate resilience. Expenditures of the activities are mostly met from the donation funds received from the Abhay Dan (Trust), New Delhi. Afforestation with planting more trees for future environment is one of the main objectives of Goodwill Foundation.

CHARITY WITH ALMS

Goodwill Foundation with financial support from the Abhay Dan (Trust), New Delhi provided blankets to 200 poor and needy people in Aizawl district, Mizoram during the cold winter season. The programme was taken up under the theme “Charity with Alms” of the organization. The beneficiaries also expressed their thanks and gratitude to Abhay Dan and Goodwill Foundation for helping and giving their need during the chilly winter fights.

EDUCATION

Education is one of the main activities of the organization. The organisation is providing formal and non-formal education to students coming from the poor and disadvantage families. Remedial classes have also been taken up in different places in the rural villages of Mamit district where students were given free remedial classes after school hours. Apart from their schoolings, school sports were also organized and conducted for the students' physical fitness and health. Goodwill Foundation prioritized education as the basic of development and growth.

PIGGERY FARMING

As piggery farming is one of the important source of income generating activities in Mizoram, Goodwill Foundation has been taking up the programme since 2009. More than 1200 pig rearing families have been benefited so far under the programme with financial support from Sir Ratan Tata Trust, Navajbai Ratan Tata Trust, and SBI Foundation. Piggery farming programmes were mostly taken up in Vairengte in Kolasib district; Sihfa, Dilkhan and Tualbung villages in Aizawl district (now Saitual district) and N. Sabual, Bawngva, Darlak, Phaizau, Ropuichhip, Dapchhuah, Dampui, Luangpawl, Darlak, Hmunpui and Suarhliap villages in Mamit district, Mizoram for livelihood promotion in pig breeding to increase income through piggery farming and developing the capacity of farmers to improve their capacity in pig breeding and also to minimize the gap between the demand and the supply of pork in Mizoram
